

Looking at the Outcomes from the Data Collected to

Build the Harpeth Heights of the Future

Feb. 19, 2017

Areas Identified as Strengths

- Worship Services
- Leadership
- The People

Areas Identified As "Need To Improve"

 <p>Clear Vision At this time, no clear, common and compelling vision exists.</p>	
 <p>Trust We have trust issues among ourselves and with leadership.</p>	
 <p>Evangelism and Discipleship These are areas we need to strengthen.</p>	
 <p>Church Systems The structure, decision process, and communication need to improve.</p>	
 <p>Missions We need to continue working on being kingdom builders.</p>	

First and Foremost:
Prayer
